Milford Second Street Players is a year-round community theater which produces shows covering practically every genre. Included in our yearly productions, you will find musicals, dramas, comedies, original works, our Children's Theater and cooperative productions with other cultural groups and schools.

We are truly a "community" theater group. Our productions are staged by unpaid volunteers. The actors, directors, costumers, lighting technicians, stage crew, ushers, ticket staff, and other volunteers are your neighbors in the Delmarva area.

Our organization strives to bring quality theater at an affordable price. However, ticket sales do not cover all the expenses necessary to keep our organization going. We rely on grants, memberships, donations, and other sources of funding to continue our goals.

Please consider joining us as a member, and if possible, donating to keep theater alive in Milford.
