Milford Second Street Players is a year-round community theatre which produces shows covering practically every genre. Included in our yearly productions, you will find musicals, dramas, comedies, original works, our Children's Dessert Theatre and cooperative productions with other cultural groups and schools.

We are truly a “community” theatre group. Our productions are staged by unpaid amateurs. The actors, directors, costumers, stage crew, ushers, ticket takers, lighting technicians, and other volunteers could be anyone you know in the Delmarva area.

Our organization has always strived to bring quality theatre at a reasonable price; however, ticket sales have never covered all the costs of keeping our organization going. We have always had to rely on grants, memberships, donations, and other sources of funding to continue our goals.
